

ODD FELLOWS MEET IN GRAND ENCAMPMENT

William Wyld, of Newport News,
Chosen Grand Patriarch for
Ensuing Term.

PEACE AND HARMONY PREVAILS

Committee on Grievances Had Nothing to Do But Look Pleased.
Lynchburg Chosen as Next Meeting Place—Numerous Veteran Order Men Attending Convention.

The Grand Encampment of Virginia, Independent Order of Odd Fellows, met in sixty-fifth annual session yesterday morning at the Odd Fellows Hall, Norfolk, being called to order at nine o'clock, by Grand Patriarch J. Leon Cold, of Portsmouth.

The delegates from Newport News were Messrs. R. Lee Robinson and Robert Gunning from Newport News Encampment No. 12, and Messrs. Ed. N. Eubank and A. M. Gibson from Pocahontas Encampment No. 40. Mr. Wm. Wyld, of No. 12, was present in his capacity as grand senior warden.

The Grand Patriarch delivered his address, in which he announced the institution of three new encampments, viz.: Pocahontas No. 40 at Newport News; Jesse, No. 62 at Saint Charles, Lee county, and Cove Creek, No. 53, at Early Grove, Scott county, and that he had revoked the charters of Pembroke, No. 40, at Pembroke, Giles county; Horader, No. 55 at Horader, Russell county and Suffolk, No. 32 at Suffolk, Nansemond county.

Peace and harmony prevails throughout the state, no protests or appeals having been filed with the Grand Patriarch, and the committee on grievances and appeals had nothing to do but to look pleased and congratulate themselves on this happy state of affairs.

The grand patriarch announced that on account of his health the grand high priest, Dr. F. A. Spores, of Big Stone Gap, had been compelled to leave the state, and consequently would not be able to attend the grand encampment. Messrs. Hill Montague and Philip M. Bradshaw, grand representatives to the Sovereign Grand Lodge, made a report of the proceedings of that body held at Toronto, Canada, September 17 to 24, 1906.

The gain in membership at this session was shown to be in round figures nearly 70,000 in subordinate lodges and encampments. The order is also supporting 2,517 inmates in forty-two homes located in thirty-one states.

The finance committee reported the books of the grand scribe and grand treasurer as correct and a balance on hand of \$438.04.
The per capita tax was fixed at fifty cents as before.

Two hundred and twenty-five dollars was appropriated to pay the expenses of delegates (other than grand officers) attending the meeting.

ANOTHER FURNACE-WITHY SHIP IN LOCAL TRADE

Steamer Wyandotte Arrives From St. Lucia to Load Full Cargo for Liverpool.

The big British freight steamship Wyandotte, of the Furness-Withy Line, arrived at this port yesterday evening from St. Louis to load a full cargo of miscellaneous exports for Liverpool. The Wyandotte has been plying in the Furness-Withy South America trade, but hereafter she will make regular trips between Newport News and London and Liverpool.

The vessel is of 2,712 net tonnage and has a carrying capacity of about 5,500 tons of cargo. She is the sixth vessel of the Furness-Withy fleet to arrive here this month for export cargo.

Awaiting Orders.
The Dutch steamer Nederland, Captain Riech, which arrived here from Buenos Ayres last Thursday, is awaiting orders before loading a coal cargo. Captain Riech is in receipt of a telegram from Washington ordering him to load at Baltimore, but he has not accepted it as an order.

ONLY THREE PRESENT.

Board of Aldermen Failed to Meet Because of Lack of Quorum.

Only three members of the board of aldermen appeared to attend the regular meeting last night. As there are numerous matters of importance on the calendar, it is very probable that a special meeting will be called within the next few days.

Address by Major Woodruff.

The Newport News Medical Society held its regular meeting in the society rooms in the Coleman building last night. Surgeon Charles E. Woodruff, U. S. A., delivered the paper of the evening, taking as his subject, "Injury of Light to Tuberculosis Patients." The paper was discussed at length by the members of the society.

STRIKE DOES NOT AFFECT THIS CITY SERIOUSLY

Commercial and Press Service Being Kept Up Without Interruption.

WIRES SUBJECT TO DELAY, HOWEVER

Associated Press Operators on This Circuit Have Not Been Called Out and All Cities in State Except Norfolk Are Receiving Night and Day Reports as Usual.

Up to this time Newport News has not been seriously affected by the strike of the telegraphers throughout the country. All of the employees of the local Western Union and Postal offices are working and, as none of them belong to the union, it is likely that they will be at their keys as long as there is anything for them to do.

On account of the large number of men out in nearly all of the cities of the country, the companies are accepting messages only subject to delay.

Although conditions in Washington are rather bad, press matter out of that city is being handled in excellent shape. The Associated Press has kept its leased wire reports going without interruption and Norfolk is the only city in this section that has not been receiving the report as usual.

No Strike On Circuit.

No strike has been ordered on this circuit, and the tie-up at the Norfolk office is due to the act of a young hot-head in the Washington office who flashed over the wire Monday night a message to the effect that the men had been ordered out and that all were going. Before the matter could be straightened out, several operators on the circuit had left their keys. In a few minutes it was explained that there had been no call, and all the men on the circuit to which Newport News belongs continued at work, except the operators at Norfolk and Columbia, S. C., who had left their offices and could not be reached.

Giving Report to Norfolk.

Monday night the two Norfolk morning papers received no report after about 9 o'clock. Last night the Associated Press operator in the Daily Press office made duplicate copies which were transmitted to the Norfolk papers. One of the papers had the entire report up to the closing of the wire at 2:30 o'clock this morning telephoned to its office.

Even though a strike should be called on the circuit, the Associated Press will furnish its papers a report in some way, even if the long distance telephone has to be used.

Both Were Fined.

Samuel Lane, 27 years old, and Ada Jones, 12 years old, both colored, were before Mayor Thornton Jones yesterday morning on the charge of disorderly conduct. The couple was arrested by Officers Leslie Curtis, Thomas Watts and John W. Cunningham, in a house in Wine street. They were each assessed \$20 and costs and went to jail in default of payment.

the greatest ball player in the world, after drinking it for years, says that

is the ideal beverage for athletes.

See what Lajoie—the great Lajoie—says about Coca-Cola:

"I drink Coca-Cola regularly and have been doing so for several years. It is the most refreshing beverage an athlete can drink. I can make \$10,000 a year playing base-ball while I couldn't make more than 50c. a day at anything else, and I am taking care of myself so that I may be in the game for several years yet to come."

You know, and we all know, that no athlete who expects to get to the top (as Lajoie undoubtedly is) can afford to put anything into his stomach that will not strengthen his nerves, muscles and body, and keep his brain clear and active. Neither can you whether or no you are an athlete. What is good for athletes certainly is good for you—then drink Coca-Cola.
